Tammy Potosky becomes Authorized Distributor for International Training Company

WINTER SPRINGS, FL, June 5, 2007 – Tammy Potosky of TLP Learning Solutions in Winter Springs, Florida announced today that she has successfully completed the application process with Inscape Publishing, Inc. to become an Inscape Authorized Distributor. Tammy is now among more than 2,500 independent trainers, coaches and consultants in North America authorized to use Inscape's industry-leading DiSC[®] learning instrument along with a host of assessments dealing with leadership, teamwork, communication and more, to augment their training and development solutions.

Inscape Publishing, Inc., headquartered in Minneapolis, Minnesota, is the leading provider of instrument-based learning systems that transform individuals, teams and organizations by helping people develop a deeper understanding of themselves and their relationships. This, in turn, helps organizations realize greater success. Inscape's flagship product, the DiSC[®] learning instrument, was pioneered over three decades ago.

TLP Learning Solutions provides training and development services ranging from facilitating workshops on communication, customer service, and team-building to establishing e-learning platforms for clients. Additional services include LMS implementation, curricula development, course selection/recommendation, user documentation, job aids and project management.

"We're thrilled to welcome Tammy to our network of Authorized Distributors," said Jeffrey Sugerman, President of Inscape Publishing. "The successful implementation of our learning instruments in organizations throughout North America is dependent upon the highly skilled network of independent trainers, coaches and consultants who use our resources with their clients' workforces to help them achieve desired results."

Inscape Publishing, Inc., the leading provider of instrument-based learning systems, pioneered the original DiSC[®] learning instrument over three decades ago. Today, Inscape continues to create innovative products and services that engage, inspire and empower individuals and organizations. Available in 21 languages in more than 50 countries, Inscape's learning resources have helped more than 40 million people gain insight into their attitudes, behaviors and potential in the workplace.
